A Hotelier's Guide: Managing *Hotel Executive* Lawsu

By **Bruce S. Liebman**, co-managing partner of the Kaufman Dolowich & Voluck, and **Michelle A. Morgan**, chair of the firm's

August 1, 2017 - *Hotel Executive*

Resorts in the Caribbean Travel and Tourism industry should beco
of their jurisdictions as the significant growth in this industr

Indeed, according to the 2017 World Travel & Tourism Council (WT
terrorism concerns, political instability, health epidemics, and
GDP, and by 2027 the Travel and Tourism Sector is expected to su
GDP of USD83.3 billion- 17.7%.

According to the WTTC, most of the projected growth in the Carib
Consistently, the most recently available 2016 Jamaica Tourist B
remained the most important supplier of tourists to the Caribbea
travelled to the Dominican Republic, Puerto Rico, Jamaica and Th

However, Caribbean resorts face a challenge when these foreign v
their resident states. When that happens, the resort is forced
financially and logistically burdensome. The exposure to these
resorts have developed to not only offer accommodation services,
services all of which carry significant tort liability. Whether
high risk of exposure remains the same as it will likely still b
