Richard Perr, PHI Co-Managing Partner and Chair of Consumer Financial Services Practice Group, and Monica Littman, PHI Associate, will be speaking at the ACA International 2020 Virtual Convention & Expo.

They will be speaking about how during the time of COVID-19, it is more important than ever to work efficiently as a team with your outside counsel. These uncertain times present a constantly changing regulatory landscape. This session will provide tips on how to collaborate with your outside counsel on litigation, regulatory matters, and compliance issues when you can’t meet together in person. They will also discuss how to make sure your company has up to date compliance procedures for remote work, budgeting for litigation in these uncertain times, necessary updates for your policies, and types of consumer lawsuits to expect as a result of the pandemic.
