

IRMI Construction Risk Conference (November 10 - 13, 2019)

The IRMI Construction Risk Conference (CRC) brings over 2,000 leading project owners, general contractors, subcontractors, developers, insurers, and insurance agents and brokers together. There is no better forum to learn the latest construction risk management and insurance trends, strategies, and tactics as well as network with leaders in the industry. As more information becomes available, KD will update this web post.

When: November 10 - 13, 2019

Where: Seattle, WA
