

Kaufman Dolowich Ranked as a Law360 Firm in 2021

We are moving up the ranks! KD was ranked # 221 in Law360's Top 400 Law Firms list, moving up eight spots from 2020 and 71 spots from 2019. While Law360 notes that there was an overall decrease in the number of attorneys at large law firms, KD has continued to grow. The list features the largest U.S. based law firms based on attorney head count. "In a pandemic year, KD continued to add talented attorneys, strengthen our practice areas, enhance our culture and grow our offices," said Michael Kaufman, KD Co-Managing Partner. "That is testament to the attorneys and staff nationwide who are dedicated to serving our clients. Congratulations to all!"
