# *Small Business: Have a clear termination policy for employees, Newsday, ft. Keith Gutstein*

*(May 25, 2014)*

*Firing an employee is often a manager's most dreaded task.*

*It's not only uncomfortable, but if not handled right it could lead to more than just hard feelings if an employee decides to take legal action.*

*Having a solid termination policy in place and following a few careful steps could help stave off potential problems…*
