

Libor scandal consequences may not be as bad as first feared, Business Insurance

By Bernadette Dono And Kevin M. Mattessich
(October 28, 2012)

Although the Libor scandal may have caused some financial institution insurers to fear the worst, so far it appears the consequences for claims may not be as bad as they at first feared, argue Bernadette Dono of Everest Specialty Underwriters and Kevin M. Mattessich of Kaufman Dolowich & Voluck L.L.P.
