

"Manipulation and Impersonation: The Hallmarks of Social Engineering" CLM Webinar Presentation by Stefan Dandelles

Kaufman Dolowich & Voluck's Stefan Dandelles will be presenting a CLM Webinar titled "Manipulation and Impersonation: The Hallmarks of Social Engineering".

Time: 12:00pm EST

About: Social Engineering fraud losses have taken the fidelity/crime insurance industry by storm. This is one of the biggest issues the market has faced in the last 10 years. Register today to hear industry experts, Stefan Dandelles and Brian O'Neill, Head of Fidelity and Crime at Berkshire Hathaway Specialty Insurance, discuss what "social engineering" is, how it works, who is at risk, and how the insurance industry is responding.
