

Opportunities abound to optimise your cyber liability insurance to your needs, *Financier Worldwide*

Hsiao C. (Mark) Mao, Vice Chair of both the Technology Practices Group and Financial Services Practice Group at Kaufman Dolowich & Voluck, co-authored an article for the British publication, Financier Worldwide. In the article, Mark and co-author, Michael Bozzuto of Steven Bozzuto Insurance Agency, Inc., discuss the need for organizations to obtain cyber liability insurance and ensure that the policies provide appropriate coverage.
