Join Insurance Professionals for PLAN's First Ever Women's Forum!

Wednesday, January 31, 2018 from 4:30 PM to 6:30 PM EST

Over the past few years, women's groups have been coalescing in every major American city. Formidable ladies across industries are convening at unprecedented rates; they're forming dinner groups and networking circles, and collaborating not only to achieve clout and success, but also to create a more just, equal society.

Stiletto Network is about "Successful Ladies Under Tremendous Stress." It's about what happens when bright, caring women come together to celebrate and unwind, debate and compare notes. But it's also about what happens when they leave the table, when the talking stops and the action starts.

****Each attendee will receive a signed copy of Stiletto Network by Pamela Ryckman!*

Click [here](#) to register for an evening of cocktails, hors d'oeuvres, networking and a chance to hear Pamela Ryckman, author of *Stiletto Network*, speak about women's power circles that are changing the face of business! *Please note, this event is for Insurance Professionals only!
