

PLDF Annual Meeting

Join Kaufman Dolowich & Voluck (KD) attendees at the 2016 PLDF Annual Meeting.

Overview: "Professional Liability Defense Federation's Seventh Annual Meeting and CLE/CEU Presentation will be held at The Westin Denver Downtown in Denver, Colorado, on September 28-30, 2016. We promise an exceptional learning and networking experience in the fall!

As the event approaches, PLDF staff will submit the seminar information to state continuing education agencies for content and credit approval (for those jurisdictions that require CLE reporting). We expect to receive several approvals in advance of the seminar and of course will follow up afterwards to complete the CLE compliance process. We intend also to seek an ethics credit for this presentation. We believe that the substantive content offered by this seminar provides the best value available in the professional liability CLE marketplace. Continuing education adjuster credit will also be submitted for consideration by the Texas Department of Insurance."

More information will be made available closer to the date. For more information, [click here](#).
