Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. The annual selections are made using a rigorous multi-phased process that includes a statewide survey of lawyers, an independent research evaluation of candidates, and peer reviews by practice area. Rising Stars are selected from among outstanding attorneys younger than 40.

The first Super Lawyers list was published in 1991; by 2009, the rating service had expanded nationwide. In February 2010, Super Lawyers was acquired by Thomson Reuters, the world's leading source of intelligent information for business and professionals.
