

Rolling With The Times

On an ongoing basis, but especially during unsettling times, businesses need to respond quickly to changing circumstances and nascent opportunities. Whether that means seeking a Paycheck Protection Program Loan, understanding the extent to which that loan may be forgiven or proactively revisiting the terms of a pre “new normal” contract, owners and managers need to understand their obligations and rights in order to keep their businesses moving in the right direction even when slowed by unforeseen forces and circumstances. Staying ahead of the curve means identifying new legislation, state and federal, that will impact their companies in particular or their industries in general.
