

Scott Miller Participates in 26th Annual Golf Classic

KD partner and Chairperson of KD's Construction Accident Practice Group, Scott Miller is participating in the 26th Annual Golf Classic at Bergen Point Golf Course in Bayshore, New York on June 11, 2018. All money raised at the day's event will benefit New Yorkers with ALS. Previous year's events have raised record-breaking money for the same cause. KD supports our communities' fundraising efforts for multiple causes. KD's involvement in the community is strongly represented by upper management and trickles down to the

passionate lawyers in our offices nationwide.
