

Stefan Dandelles, Esq., Speaker at U.S. Department of Labor ERISA Advisory Council

Stefan Dandelles, co-managing partner of KD's Chicago office was invited to present to the United States Department of Labor's Advisory Council on Employee Welfare and Pension Benefit Plans (ERISA) on September 9, 2022. The topic was "Cybersecurity Insurance and Employee Benefit Plans."

He reviewed the legalities and trends of cybersecurity insurance in regard to cybersecurity risks in employee benefit plans, and the cybersecurity insurance market. Topics included insurers writing cybersecurity insurance coverage, underwriting standards, controls that insurers require or recommend as conditions to underwriting coverage for cybersecurity risk, limits of liability and deductibles, and the circumstances that could result in a loss of coverage.
