With President Biden's \$2 trillion plan to overhaul and upgrade the nation's infrastructure, certification of qualified businesses and working with certified firms will be more important than ever. Companies on all ends of the process will need to meet the ever increasing challenges of W/MBE and DBE certification and compliance.

Join Kaufman Dolowich & Voluck and Marcum for a discussion on key facets of becoming certified, maintaining status, and complying with W/MBE and DBE firms:

BECOMING WMBE/DBE

Eligibility for qualification

Corporate formations for start-ups, buy-ins, and succession

MAINTAINING WMBE/DBE STATUS

Accounting, tax and financial issues

Corporate governance and record keeping

CUF - commercially useful function

COMPLYING WITH WMBE & DBE RULES

GFE - good faith efforts

Goals and waiver/modification

Best practices and avoiding problems
