

**KAROL CORBIN WALKER**  
**Kaufman Dolowich Voluck LLP**  
**2022 Lifetime Achievement Award**

I am one of Karol Corbin Walker's admirers. She has been the consummate professional: hard working, serious, kind to all of her colleagues, disciplined, principled, - just a wonderful person. She remembers everybody's name. She cares about other people's lives. She is truly the lawyer to be honored and emulated.

Hon. Anne E. Thompson, U.S.D.J.

The first time I heard Karol speak at an event, she was president of the State Bar and I was a lawyer five years out of law school. I remember to this day how she made me feel as a lawyer – that I was important and that I was an integral part of our Bar Association. Karol has a gift for reaching people and inspiring them to be their best, which she always is. I admire her leadership, at the local, state and national levels. She has been a role model for how to conduct yourself as a lawyer and as a member of the bar. And, she has a flawless sense of style that I have always admired!

Jeralyn L. Lawrence, President, New Jersey State Bar Association 2022-2023

**Karol is an impressive advocate who has played a vital role in the lives of so many diverse and young attorneys as both a role model and a mentor.**

**Ricardo Solano Jr., President, Association of the Federal Bar of New Jersey 2022-2023**

First, Karol is much too young to receive anything that has the words, “lifetime” preceding it. That said, it is wholly appropriate based upon her contributions both to the legal profession and to the community at large to have this honor bestowed upon her. It’s not often you get that right mix of fearless litigator/trial lawyer with compassion and the commitment to do what is “right”. She takes no prisoners, but it is never at the cost of compromising legal ethics nor moral ethics. Karol is the one I would want as my lawyer. It’s cliché, but true. Karol is truly, a lawyer’s lawyer. This honor is so well deserved.

Paulette Brown, Past-President, American Bar Association 2015-2016
